Nominal Impedance, Ohms	50
VSWR Max	1.3:1
RF Connectors	Reverse Polarity SMA (female) to R/A MC Card
Pigtail	12" RG - 316

**Important Notice:** Please read all instructions carefully before attempting to install and use this product.

Before connecting your external antenna to an HP Wireless Access Point, please read the instructions for using an external antenna with the access point. These instructions explain how to set the access point's power levels to meet regulatory requirements in your area. For the latest instructions, see the 'Product manuals' page for your access point under 'Technical support' at <http://www.hp.com/go/hpprocurve>

## SAFETY

The J8447A and all associated equipment should be installed in accordance with applicable local and national electrical code guidelines to ensure safe operation.

## HP WARRANTY INFORMATION

See the Customer Support/Warranty booklet included with this product. A copy of the specific warranty terms applicable to your Hewlett-Packard products and replacement parts can be obtained from your HP Sales and Service Office or authorized dealer.

## SUPPORT

Hewlett-Packard offers support 24 hours a day, seven days a week through the use of a number of automated electronic services. See the Customer Support/Warranty booklet that came with your product for information on how to use these services to get technical support. The HP ProCurve web site, <http://www.hp.com/go/hpprocurve> also provides up-to-date support information under "Technical support".

Additionally, your HP-authorized network reseller can provide you with assistance, both with services that they offer and with services offered by HP.
