

2

Connect the mouse to one computer using the receiver and up to two computers using Bluetooth®.

To program the mouse, use the software. If the software does not download automatically, on your computer open **Microsoft Store**. Search for **HP Accessory Center**, and then download the app.

NOTE: The mouse offers limited support for Mac OS and Chrome devices.

Components description

Programmable button
By default, press to use the Forward function in a web browser.

Programmable button
By default, press to use the Back function in a web browser.

Scroll wheel
Scrolls the screen up or down.
